21st March 2022

Dear Parents/Carers,

30 HOUR FREE CHILDCARE

Many working parents of 3 to 4 year olds in England will be eligible for 30 hours of funded childcare, rather than the universal 15 hours. At Tunstall Nursery school we offer 30 hours free for 38 weeks per year, which is equivalent to school term times. The session timings are 8.30am to 3.30pm, Monday to Friday during term time. There is an additional fee of £32.50 per week for the lunch hour and children will need to bring a healthy packed lunch.

We have a small number of full time places available from next term on a first come, first serve basis. You will need to return the slip below with your 30 hour eligibility code and 4 week deposit, to the office for your request to be considered. You will need to obtain the code by 31st March 2022 so that it can be used next term (beginning 25th April).

Please see the enclosed leaflet for the eligibility criteria and details of how to apply.

Kind regards

The Tunstall Team
