27th April 2022

Dear Parents, Carers and Friends of Tunstall,

After many years at Tunstall, Chris Palmer, Keyworker, is leaving us at the end of this week. Her last day at Tunstall will be Friday 29th April. We are sad to see her leave but wish her well in her new adventures.

If Chris is your child's Keyworker, Esther Potman will be replacing her from June. Esther currently works in the nursery as our Forest School Leader and knows the children. In the interim your child will be given a temporary key worker (either Kate, Ban or Jane), who will support your child until June (details to follow). Please also be assured that children engage with all Keyworkers and Keyworker Support Assistants, we are confident that your child will continue to be happy and settled in the nursery.

If you would like to discuss this further, please speak to a member of staff.

Yours sincerely

Jane Fisher
Deputy Headteacher

Leigh McGuinness
Deputy Headteacher
