Mitcham Zoo Visit

Dear Parents and Carers,

We are very excited to announce that Mitcham Zoo will be visiting our nursery on Tuesday 22nd March 2022. All children in 3s/4s room will have the opportunity to interact with the animals and learn about them. There will be various reptiles, a giant tortoise, a hedgehog and many more! If your child has any allergies or you have any concerns please speak to a member of staff.

We are confident this will be a fun and exciting learning opportunity for your children.

Best Wishes

The Tunstall Team
