

1<sup>st</sup> March 2022

Dear Parents/Carers,

## School funding crisis

School funding and falling budgets are hot topics at the moment; and you may be wondering how you can help your school.

## Meeting challenges together

While the government is being confronted to address the funding challenges, parents are not powerless to assist their school. We strongly believe that school and parents working in partnership is the most positive way to raise money and secure the best educational experiences for our children.

The good news is, everything we raise goes directly to providing for the school, and, in consultation with staff, parents have a say on where and how the money is spent.

## Get involved

We would like to set up a parents group here at Tunstall Nursery School to take charge of our fundraising activities. You can make a real difference! More parents involved means more money raised through more fun events, benefitting everyone.

**There has never been a better or more important time to support your school.**

## Join us

There are many ways you can offer your talents and be part of our fundraising effort. If you would like to be a part of this group – however much or little time you can spare – please return the slip below to the office by Friday 4<sup>th</sup> March 2022. We can then arrange a meeting to discuss how we move forward.

Be certain that your help will be greatly appreciated and will make a big difference.

Yours sincerely

Leigh McGuinness  
Deputy Headteacher
