4th March 2022

Dear Parents/Carers,

We are holding parent/carer consultation meetings for all children on Wednesday 16th and Wednesday 23rd March 2022. This is an opportunity for you to speak with your child's keyworker about his/her progress. There is a list of available appointment times in the foyer for 3 and 4 year olds and on the Twos door for 2 year olds. Each appointment will last for 10 minutes, we try our best not to overrun. Please add your name to this list so that you can speak to your child's keyworker.

We ask all parents/carers to wear a mask during the meeting (unless you are exempt) and maintain social distancing with the key workers.

We look forward to meeting with you over the next few weeks.

Yours sincerely

Leigh McGuinness
Deputy Headteacher
