3rd June 2024

Mitcham Zoo Visit

Dear Parents and Carers,

We are very excited to announce that Mitcham Zoo will be visiting our nursery on Friday 7th June 2024. All children will have the opportunity to interact with the animals and learn about them. There will be various reptiles, a giant tortoise, a hedgehog and many more! If your child has any allergies or you have any concerns please speak to a member of staff.

We are confident this will be a fun and exciting learning opportunity for your children.

Best Wishes

The Tunstall Team
