Should the nursery not have an available three-year-old funded places parent and carers will be informed in advance. The child will remain in the 2-year-old setting until a space becomes available. 2-year olds in the setting will have priority over other children when a place for the Nursery setting is requested.

# 3. Admissions Criteria

Parents and carers may state their preference as to which nursery class, school or centre they would like their child to attend in the years leading up to the child's admission to reception class. Parents and Carers will be advised annually of the agreed admission dates.

3.1 Criteria - The School Governing body will consider all applications in accordance with the following criteria, set out in priority order.

- Looked-after children and previously looked after children. *(See Note 1).*
- Children who have a sibling (defined as half/step/foster/adopted sibling) whose main residence is the same address and will be attending the school at the time of admission.
- Where there are serious medical grounds (supported by documentation from a registered medical practitioner) and/or special educational / social need for admitting the child. *(See Note 2).*

- Distance: Proximity of the child's home to the school, with those living nearer being accorded the higher priority. (see Note 3)

***We have 32 places available for 3/4 year old children eligible for the additional 15 hours and 4 full time places for 2 year old children. If these are not all filled during the admissions process they will be offered to 15 hour children. If the nursery is oversubscribed, children in the year before they start Reception will be given priority up until the 31<sup>st</sup> May.***

#### **Note 1**

Looked after children are defined as children in public care at the date on which the application is made. Previously looked after children are children who were looked after, but ceased to be so because they were adopted or became subject to a residence order or special guardianship order, immediately after being looked after. If an application is made under the 'looked after' criterion, it must be supported by a letter from the relevant Local Authority Children's Services Department and/or relevant document.

#### **Note 2**

The medical reasons must be verified by a doctor or consultant and declared at the time of application if known at the time. Claims for priority of admission on medical grounds will not be considered if submitted after a decision on the original applications has been made. - lack of personal interaction and stimulation
- speech and language problems

#### **Note 3**

Distance will be measured as a straight line drawn on a map from the front gate of the School to the front door of the home at which the child normally resides. For flats, the Centre will be taken from the Centre of the building. Home is defined as the address where the child normally resides as their only or principal residence. Parents may be asked to provide documentary evidence to confirm an address and parental responsibility. Child minding factors cannot be taken into account when allocating places at over-subscribed schools.

### **3.2 Shared Custody**

If parents share custody of the child, the address given should be that of the parent with whom the child spends most of the school week, which will be the address where Child Benefit is payable. Only one application per child can be accepted. If the address of the

parent differs from that of the child, a written explanation must be submitted with the application. Custody issues cannot be resolved by the LA.

#### **4. Procedure for Admission**

Tunstall Nursery School can accommodate a maximum of

55 full time equivalent places for three- to four-year olds and 32 15 hour places for two year olds. Parents and carers who are interested in making an application to the nursery will need to complete the relevant application form and return it to the school.

Application forms need to specify whether the parent wishes to claim the additional 15 hours entitlement for 3/4-year olds. It is the parent's / carer's responsibility to provide the Nursery with the eligibility reference number. When a place becomes available for a child according to the above criteria, they will be offered that place even if that place is only for the universal entitlement of 15 hours. As soon as the nursery are able to offer the additional 15 hours they will.
