

## Room Hire Policy Autumn 2024 Review: Autumn 2025

### Part A. Introduction:

This policy document applies to the letting out of facilities within the school.

In principle, the governing body supports the letting out of the school's premises, provided that:

- Any such letting complies with The Croydon Borough Council's Letting Policy, the requirements of the 1974 Health and Safety Act and any subsequent pertinent legislation
- The School is indemnified against any liability related to, or arising from, the letting of any part of the premises.

The governing body recognises and seeks to promote the valuable role that the school can play in providing accommodation and/or facilities benefiting the local community.

The following, general conditions will apply to all lettings:

- Use of the premises must not interfere with the proper working of the school or impair its efficiency
- The premises are to be used responsibly
- The governing body reserves the right to exclude any person or group from using the premises should the proposed use be deemed unsuitable
- Having regard to our duty under the Race Relations Act 1976 (but without prejudice to our duties under the Representation of the People Act 1983) the governing body will not let the school premises to organisations whose purpose is, amongst other things, to encourage racial discrimination and/or disharmony between persons of different racial groups, or are otherwise involved in activities prejudicial to good race relations.
- With the possible exception of events meeting special community needs, all lettings must cover the costs associated with keeping the premises open for that purpose
- The governing body delegates responsibility for lettings to the Executive Headteacher/Head of School

The governing body has agreed to define lettings under the following categories:

- School Lettings for activities for pupils or their parents and carers that provide educational benefit to pupils, which the school wishes to subsidise
- Community Lettings for other community activities which should be made on the basis of full cost recovery
- Commercial lettings will be charged on a cost plus an income margin for the school

The governing body and the Executive Headteacher/Head of School, will review lettings at the school and the lettings policy annually.

## Part B. Conditions and Regulations for Hiring Premises:

1. Enquiries for premises shall be made direct to the school and applicants are advised to see the School Business Manager at the school in order to ascertain the suitability of the premises for the purpose of hire

This deposit shall be returned to the hirer following the letting less any amount the school may deduct for repairing damage caused/additional cleaning required. Any damage exceeding £75.00 must be paid for in full.
10. The school does not undertake any responsibility for the loss of, or damage to, any goods or effects belonging to the hirer, and/or members of the organisations or associations, or to any other person present, whether by fire or other reason, nor for any injury to any person or persons attending the premises for whatever cause.
11. Hirers must leave the school clean and tidy – the floor to be swept, wet mopped, carpets vacuumed and rubbish removed.

The Hirer will pay the full cost of repair, or replacement of any fixtures or fittings that become unserviceable or unsuitable for use through damage caused by any person attending the function, whether deliberate or otherwise.
15. Injury or loss. It is the responsibility of the Hirer to inform the governing body, in writing within 24 hours, of any person or persons sustaining injury or loss on the premises during the letting.
