

13th June 2025

Dear Parents and Carers,

Tunstall Nursery School continues to be an OUTSTANDING school following an Ofsted inspection on 7th May 2025.

Please find attached a copy of the report. The report has just been published and is available on the Tunstall website now and on the Ofsted website www.ofsted.gov.uk/reports by the end of next week. You are encouraged to read it in full, however, we have highlighted some particularly heartwarming observations from the inspectors:

'This is a wonderfully warm and welcoming place. Respectful, trusting relationships are at the heart of this delightful school.'

'Parents and carers talk of how happy and safe their children are at school.'

'Children settle quickly and know what is expected of them. They behave exceptionally well. Children focus on their learning, sustaining concentration for impressively long periods of time.'

'Children secure strong foundations which they can successfully and confidently build on in their next stage of education.'

'Staff use their expert knowledge of how young children learn to tailor experiences which ensure children progress through the curriculum.'

'Staff are excellent role models in terms of behaviour. They remain calm and resolute in all their interactions. Staff are patient and kind.'

'The school has built excellent relationships with parents'

'Staff are overwhelmingly positive about working at this school.'

We are delighted that Ofsted captured the unique essence of our school and recognised the wonderful children, families and staff who work together to create this 'delightful school'.

Thank you for all your support as always and we hope you enjoy reading this wonderful report.

Jane Charman
Executive Headteacher

Kate Lanning
Head of School
